Part of a series of circular walks that link in with The Wychwood Way

TL - Turn left BL - Bear left  
TR - Turn right BR - Bear right

**5** At the far side of the field take the right hand path around the edge of a small wood, through a wooden kissing gate and onto a lane. TR and follow the lane for approx 400m.

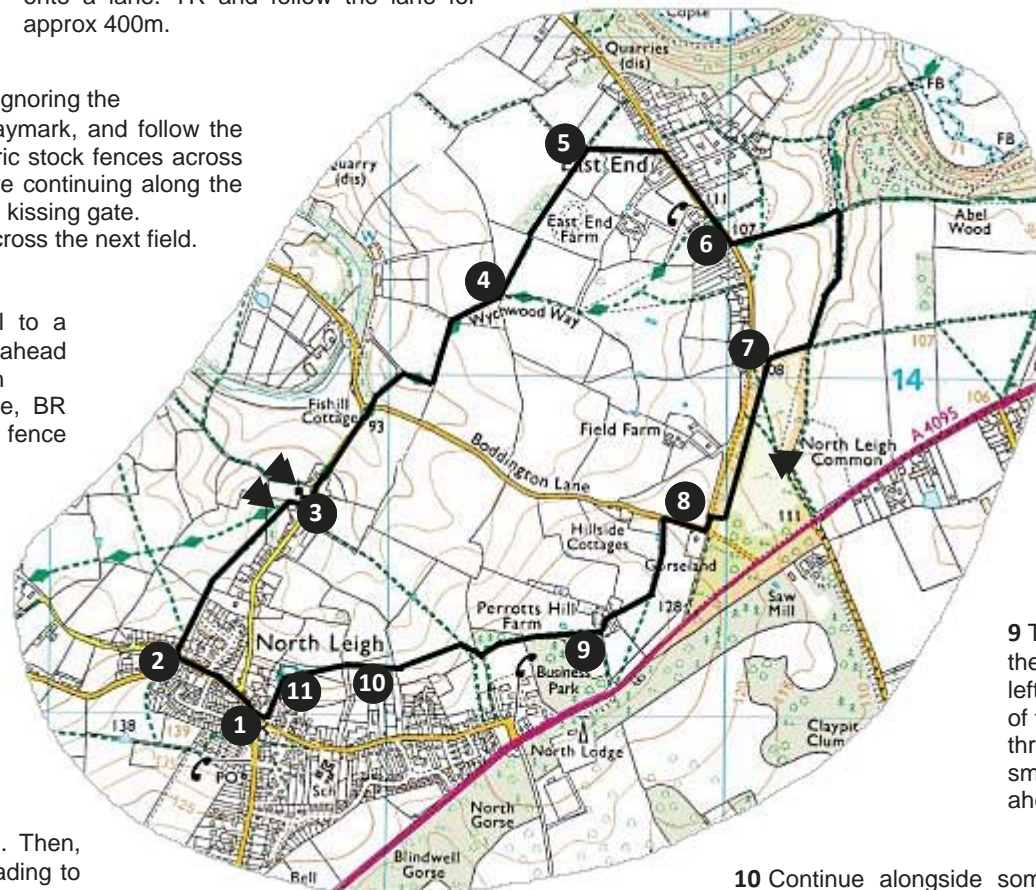

**4** At the corner TL, ignoring the Wychwood Way waymark, and follow the path between electric stock fences across the next field, before continuing along the edge of a wood to a kissing gate. Continue straight across the next field.

**3** TL and follow the road downhill to a junction. Take the footpath straight ahead for approx 600m as it winds between fences and hedges. At a field gate, BR slightly and follow a post and rail fence along the edge of the next field.

**2** At the road junction just past The Woodman take the footpath on the right. Continue straight ahead across the first field to a metal kissing gate and BR across the next field to a stile. Cross the corner of a large garden and TR through the church yard to emerge onto Church Road.

### Start Point

**1** Beginning at the Masons Arms. Then, from the junction, take the lane leading to New Yatt. Continue past the end of Church Road and Bridewell Close.

**6** Opposite 'Chafont', take the bridleway on the left along the edge of the field. Continue past the end of the field and, after crossing a bridge, TR. Follow the stream up to the far corner of the field. TR through a gap in the hedge and take the footpath straight ahead along the edge of North Leigh Common.

**7** At a waymark post TL, and follow a well defined path for approx 120m. At a T-junction of paths, TL past some small ponds and along some duck boarding to another junction. Here TR and follow the path straight ahead (crossing a concrete footpath), to emerge onto an area of open grassland. BR across this area to a small car park. TL out of the car park to a road junction.

**8** TR onto Boddington Lane and then take the first footpath on the left. Follow the road up to Perrotts Hill farm.

**9** TR by the cattle grid at the entrance to the farmhouse and follow a wall (on the left), through a gate, and along the edge of the next field. Halfway down the field go through a metal kissing gate, through a small belt of woodland, then straight ahead across the next field.

**10** Continue alongside some allotments. Cross a footbridge and BL across the field next to a metal deer gate.

**11** Follow the path uphill to emerge by the Methodist Chapel. Continue up the lane before turning right to return to the Masons Arms.
